A UGUST HUMMEL'S FREQUENTLY IMPROVED AND
Frobatem Essence of Coffee.—One package of this
essence will go as far as four pounds of roasted store
coffee; and coffee made by this essence will preserve, perfectly, the real taste of the best roasted store coffee, but
will have a more delicate and finer flavor, a finer color,
and will certainly be much more windesome for every
person, than pure roasted store coffee; it will also be
clear without requiring anything to clarify it. Manufactured and for sale, wholesale and retail, by AUGUST
HUMMEL & CO. No. 43 Julianna street, below Willow,
Philadelphia. Advice for use:—To make two quarts strong
or mild coffee, take one table-spoonful of ground roasted
store coffee, as usual, and half a tea-spoonful of this essence. A more or less quantity of coffee must be made
after this proportion. P. S.—After using, close the package carefully, and keep it particular in a dry place. Depot SS Sullivan street, near Spring, and for sale at every

OFFICIAL—NOTICE TO THE MANUFACTURERS OF Boiler Iron.—Treasury Department, Feb. 10, 1853.—The fifteenth section of the act of Congress entitled "An act to amend an act entitled an act for the better security of the lives of passengers on board of vessels propelled in whole or in part by steam, and for other purposes," approved 30th August, 1852, provides—

"That all plates of boiler iron shall be distinctly and permanently stamped in such manner as the Secretary of the Treasury shall prescribe, and, if practicable, in such place or places that the mark shall be left visible after the plates are worked into boilers, with the name of the manufacturer, the quality of the iron, and whether or not hammered, and the place where the same is manufactured."

In pursuance to the authority vested in this department by the above section of said law, notice is horeby given to the manufacturers of boiler iron that, in future, all iron to be used in boilers, in steam vessels, must be clearly and distinctly stamped in not less than three places on each sheet or plate, as follows, viz:—At twe diagonal corners, at a distance of about four inches from the edges, and also about the middle of each plate or sheet, with the name of the manufacturer and the name of the place where manufactured, designating the latter by the name of the city, town, or county, and also State. It is at the option of the parties to add the name of the works. If the plates are formed from charcoal iron which has not been hammered before being rolled, it is to be also stamped, in connection with the above, with the letter C. If of charcoal iron which has been hammered before being rolled, it is to be marked with the letter C. If of charcoal iron which has been hammered before being rolled, it is to be marked with the letter C. If of charcoal iron which has been hammered before being rolled, it is to be marked with the letter C. If of charcoal iron which has been hamme

THE MARRIED WOMAN'S PRIVATE MEDICAL COMpanion—By Dr. A. M. Mauriceau, Professor of Diseases of Women. Twentieth edition, 16mo, pp. 253. Price, \$1. Years of suffering, of physical and mental anguish, to many an affectionate wife, and pecuniary difficulties to the husband, might have been spared by a timely possession of this work. It is intended especially for the married, or those contemplating marriage, as it discloses important socrets which should be known to them particularly.

Here, also, every female—the wife, the mother—the one either budding into womanhood, or the other in the decline of years, in whom nature contemplates an important change, can discover the causes, symptoms, and the most efficient ramedies, and the most certain mode of cure, in every complaint to which her sex is subject. (Extract of a letter from a gentleman in Dayton, Ohio.)

Dr. A. M. MAURIKAU, 120 Liberty street,

My Dear Sir—My wife has been perceptibly sinking for some three years or more, in consequence of her great anguish and suffering some months before and during her confinement—every successive one more and more debilitating and prostrating her, putting her life in imminent danger, and which was, on the last occasion, despaired of. I supposed this state of things was inevitable, and resigned myself to meet the worst. At this time, (now about two months.) I heard your book highly spoken of, as containing some matters reaching my case. On its receipt and peru-al, I cannot express to you the relief it afforded my distreased mind, and the joy its pages imparted to my wife, on learning that the great discovery of M. M. Dasomeaux provided a remedy. It opened a prospect to me which I little conceived was possible. But for this, ere another year would have been in her grave, and my children motherless.

It is, of course, impracticable to convey more fully the serious subjects treated of, as they are of a nature striotly intended for the marri
